VIII. **Announcements/Informational Items:** *(John Ison, Chair)*
     A. Urgent Reminder of UC TCA/Cal-GETC Deadlines (see screenshot below)
         John reminded the committee of the deadlines to submit courses for UC-TCA and Cal-GETC. This meeting was the last meeting to approve courses to meet the June 1st deadline for articulation to submit for UC-TCA approval.

     B. Other Announcements

IX. **Tech Review Clarification/Updates:** (*Guy Dadson*, *Technical Review Chair*)
No announcements

X. **Six-Year Review Calendar:** *(Guy Dadson, Tech Review Chair)*
Guy has not received any feedback on the 6-year review calendar and asked division reps if they can possibly work on it during spring break and vote on it at the April 3rd meeting. If approved, we will be able to add it to the curriculum website.

XI. ~~**Audition as Fine Arts Requisite**~~ *(Nicola Dedmon, Music)*
The faculty who will be speaking on this agenda item will let John know when they are ready, they are still working on this.

XII. **Status Update on Implementation of 54-hour internship course mandate as fast-track approval** *(John Ison, Chair)*
John had the committee review the language for internship courses. The language will be added to the course catalog descriptions, the repeatability will be added to the master database and correcting the CIP code. The chancellor's guiding memo and the document presented to the committee will be included in the attached files in CNET. Some edits will be made to the document per the committee's feedback.   **MSU**

XIII. **Credit for Prior Learning Update (Second Read/Action Item)** *(Ken Starkman and Scott Lee)*
John sent the document to the committee via email to review and provide any feedback. The counseling division rep wanted to clarify counselors are not the ones who approve the students for credit for prior learning, that would be ultimately the faculty who approves the students. The agenda item will be TABLED so the rep can go back to her division on possibly revising the language.   **TABLED**

XIV. **Title 5 AA GE revisions**: *(John Ison, Curriculum Chair, and Curriculum Committee Representatives)*
    A. Feedback on latest option from reps
    B. Reminder of timeline
    C. Recommendation and Possible Vote

John provided the committee with feedback from his division on the possible AA GE pattern to consider based on other's recommendations. The committee discussed other feedback they have received. Gary provided the committee with a handout of the programs, the GE requirements and how many total units it will take the students to complete. The discussion continues. To narrow down the discussions the committee voted on:

Title 5 GE requirement only: 4 votes.
Title 5 GE requirements plus 1 area added: 1 vote.
Title 5 GE requirements plus 2 areas added: 1 vote.
Title 5 GE requirements plus 3 areas added: 3 votes.

At the April 3rd meeting the committee will narrow down the discussion on only the Title 5 GE minimum requirements and Title 5 GE requirements plus 3 areas added.
