      - May 2025: Deadline for Board of Trustees (BOT) approval of courses requiring UC TCA and Cal-GETC approval
      - May 21: CC approval required for all CCN Phase 2A courses
      - September 2025: DCCC approval for all CCN Phase 2A courses
      - October 2025: Deadline for BOT approval of all CCN Phase 2A courses (MUST go to Cal-GETC in November)
      - October 1, 2025: UC TCA/Cal-GETC course (Fall 2027 effective date) prelaunch target date
   B. After October 1, 2025: Focus on processing proposals with a Fall 2027 effective date
   C. Handbook will be revised over the summer
      - Given the uncertainty about an updated curriculum management system, the revision will concentrate on proofreading, as well as the removal of references to CSU GE and IGETC, the updating of local Associate Degree (and its areas), the inclusion of Cal-GETC (and its areas and approval timeline), Common Course Numbering (process, timeline, context and assorted details), and the catalog language re: Artificial Intelligence and Credit for Prior Learning.

IX. **Tech Review Clarification/Updates:** (*Guy Dadson*, *Technical Review Chair*) **INFORMATION ITEM (NO VOTE)**

X. **INDS AA Degrees: INFORMATION ITEM (NO VOTE)**

XI. **"Clean up" of Active INDS Degrees: ACTION ITEM (VOTE)**
   A. This will remove all deactivated courses from active INDS AA degrees and reconcile any courses with title changes (including Common Course Numbering) and/or unit changes in order to prevent discrepancies in the catalog. Furthermore, this "clean up" will correct any misspellings or typos in the CurricUNET active files. The goal is to match the CurricUNET record with the 2025-2026 catalog.
   B. This does not mean adding or subtracting other courses from the active INDS AA degrees. Those actions should take place through the regular major revision process.

XII. **Common Course Numbering (CCN) Timeline: INFORMATION ITEM (NO VOTE)**
   A. Phase 2A CCN templates have been published. They are effective Fall 2026, and they must be in the 2026-2027 catalog.
   B. As stated earlier, Phase 2A courses must be CC approved in May 2025.
      - These courses must be Board approved by October 2025, as they are being sent to Cal-GETC in early November.

   C.   The curriculum committee should be open to fast-tracking and going outside the CNET process to comply with AB 1111.

   D.   District Workgroup implementing Phase 1 CCNs in Banner, catalog, schedule, DegreeWorks, counseling and Admissions and Records, etc.

   E.   Given the vast scope of the impacts, and the time constraints involved, CC, DCCC and BOT are approving "batches" of courses and programs impacted by Phase 2 (A and B) CCN course revisions.

- CC, DCCC and BOT agendas will contain tables listing the impacted courses and programs.
- Changes will be made administratively to CurricUNET, Banner, DegreeWorks and other technologies involved with curriculum.
