VII. Proposal Agenda (attachment) ACTION ITEM (VOTE)

VIII. Announcements (John Ison, Chair) INFORMATION ITEM (NO VOTE)

- A. Today is the last meeting to approve curriculum for Fall 2026. If curriculum on today's Proposal Agenda is tabled to make changes before the next meeting, then it will remain on the October 1 Proposal Agenda with no change in Fall 2026 effective date.
- B. October 1 meeting: "last chance" approval, preferably reserved for curriculum requiring changes before moving forward.
- C. After October 1, 2025: Focus on processing proposals with a Fall 2027 effective date.
 - Due to the earlier registration for Fall, we must obtain Board approval by December 2025, and preferably earlier than that.
- D. Fall 2027 deadlines/target dates
 - October 2025: Deadline for BOT approval of all CCN Phase 2A courses (MUST go to Cal-GETC in November)
 - October 1, 2025: UC TCA/Cal-GETC course (Fall 2027 effective date) prelaunch target date
- E. Other announcements

IX. Tech Review Clarification/Updates: (Guy Dadson, Technical Review Chair) INFORMATION ITEM (NO VOTE)

X. INDS: Social Sciences AA and the Social Sciences Division: (Kelly Nelson-Wright, Social Sciences Division Curriculum Representative) ACTION ITEM (VOTE)

Curriculum.Fullcoll.edu

Meetings: [See CurricUNET Homepage](#)

- A. The Social Sciences division requests oversight of the INDS Social Sciences AA degree.
 - The degree itself originates from a different division, but the majority of the degree's course list originates from the Social Sciences division.

XI. Coursedog: Do we approve the district's purchase?

- A. Context: Over the summer, the district made plans to purchase Coursedog, the curriculum management system. However, Faculty Senate noted that the plan had not gone through the shared governance process in an official manner.
- B. Before a contract is signed, approval should be granted by the curriculum committee and Faculty Senate.
- C. A Curriculum Committee recommendation would be brought to Faculty Senate, and that governance body would have a first read and a vote.

XII. (First Read) Reviewing Faculty Senate's Feedback on the CC-approved CPL Catalog Statement INFORMATION ITEM (NO VOTE)

- A. Our revised catalog statement makes it clear that departments determine what is acceptable.
- B. Faculty Senate suggested changes to the catalog statement.
- C. What follows is a summary of Faculty Senate's suggestions for revision. Please note that they involve revision of the catalog statement, but the suggestions also pertain to the development of a CPL website and a standard student application form.
- D. Senate feedback:
 - This concerns a student's application form to obtain CPL credit. There should be language showing how students could access the form, and there should be one form, like a course substitution form. Every department on campus should have the same form.
 - Make the CPL web page student friendly. Check out some CPL web pages from other community colleges.
 - There is no CPL information page developed yet. It might be good to add something to the effect of "the upcoming CPL information page on the college website."
 - The catalog's "Credit for Military Training" page needs to be updated to reflect FC's revised local Associate Degree, as Area 7 is now "Lifelong Learning and Self-Development..."

XIII. (Second Read) Lower-Division GE for Baccalaureate Degrees: Title 5 Revision ACTION ITEM (VOTE)

- A. Context: Section 55092 (5)(f): "Students who have completed the California General Education Transfer Curriculum (Cal-GETC) shall be deemed to have fulfilled lower division baccalaureate degree requirements, and shall not be required to complete further lower division general education courses."
- B. Consider the following proposal:
 - Cal-GETC as FC's lower-division GE pattern, or the option of Cal-GETC OR the local Associate Degree pattern as the lower-division GE baccalaureate pattern.
 - It's important that the curriculum committee take the motion, if made, to their constituents, and bring their feedback to the committee.
- C. Once approved by the curriculum committee, Faculty Senate and Board of Trustees, BP 4100 and AP 4100 must be revised.

XIV. (First Read) Fall 2025 Handbook Revisions

- A. First read and discussion: September 17 meeting. Action item (vote): October 1 meeting.
- B. Changes made in this handbook revision:

- Links checked/updated
- Removal of references to CSU GE and IGETC
- The update of local Associate Degree (and its areas)
- The inclusion of Cal-GETC (and its areas and approval timeline),
- Common Course Numbering (process, timeline, context and assorted details)
- Addition of the catalog language for Credit for Prior Learning.

XV. Veterans and Program Completion: (Nick Arman) INFORMATION ITEM (NO VOTE)

- A. This item is scheduled for 3:00pm.

XVI. Common Course Numbering (CCN) Timeline: INFORMATION ITEM (NO VOTE)

- A. Phase 2B CCN templates have been published. They are effective Fall 2027, and they must be in the 2027-2028 catalog.
- B. All Phase 2B course revision proposals are in CurricUNET. However, not all of them have been prelaunched. Please inform faculty that CCN additions should be done by early October, to ensure timely approval.
- C. The CCN spreadsheet, with templates and “former” and “new” CCN titles/prefix/numbers, can be found on the Canvas course shell. It was sent to you as an attachment to this agenda, as well.
- D. Open surveys are open re: Phase 3 CCN draft templates. Please go to <https://asccc.org/common-course-numbering-ccn-development-and-faculty-engagement>
- E. Phase 3 CCN templates are scheduled to be published in early 2026, with an effective date of Fall 2027.
- F. The curriculum committee should be open to fast-tracking and going outside the CNET process to comply with AB 1111.
- Phase 2B CCNs, if prelaunched by October 2025, should be able to go through the regularly-scheduled approval process. However, the limited time given for Phase 3 CCNs requires fast-tracking in order to meet the June 1 UC TCA deadline.
- G. Procedural Reminders:
- We add the required CCN elements to our active courses in creating CCN courses.
 - We copy the active courses and prelaunch “course major revisions,” according to the Chancellor’s Office and ASCCC.
 - We don’t create “course deactivation” proposals for the “legacy” courses, since they remain “the same course,” only with course number and title (and/or prefix) and CCN elements added. Instead, the “legacy” courses should be made “historical” in an administrative manner.
- H. District Workgroup continues to meet re: implementing CCNs in Banner, catalog, schedule, DegreeWorks, counseling and Admissions and Records, etc.
- I. Given the vast scope of the impacts, and the time constraints involved, CC, DCCC and BOT continue to approve “batches” of courses and programs impacted by Phase 2 (A and B) and 3 CCN course revisions.
- CC, DCCC and BOT agendas will contain tables listing the impacted courses and programs.
 - Changes will be made administratively to CurricUNET, Banner, DegreeWorks and other technologies involved with curriculum.
 - Non-CCN courses with CCN course requisites: This school year, we are allowed to make updates without sending the non-CCN courses for re-articulation.
