IX. Tech Review Clarification/Updates: (Guy Dadson, Technical Review Chair) INFORMATION ITEM (NO VOTE)

X. Prerequisites: (Jeanne Costello, Guided Pathways)

- A. We will discuss this item around 230pm.

XI. Lower-Division GE for Baccalaureate Degrees: Title 5 Revision ACTION ITEM (VOTE)

- A. Context: Section 55092 (5)(f): “Students who have completed the California General Education Transfer Curriculum (Cal-GETC) shall be deemed to have fulfilled lower division baccalaureate degree requirements, and shall not be required to complete further lower division general education courses.”
- B. The committee will vote on the following proposal:
 - Cal-GETC for new and continuing students; IGETC and CSU GE for continuing students with catalog rights only.

- It's important that the curriculum committee take the motion, if made, to their constituents, and bring their feedback to the committee.
- C. Once approved by the curriculum committee, Faculty Senate and Board of Trustees, BP 4100 and AP 4100 must be revised.

XII. Review of the Associate GE Designation of Courses Denied Cal-GETC Approval ACTION ITEM (VOTE)

- A. The committee will vote on the following proposal:
- Approve a course for a particular Associate GE area no matter what, as long as it meets the following criteria:
 1. At least 1 comparable course with that designation
 2. It meets the requirements of its designated area
 - This means that the course could be listed on the Associate GE guide sheet, even if Cal-GETC denies the course.

XIII. Integrating Title 5 Changes into the Course Outline of Record INFORMATION ITEM

- A. § 55001.5. (a) (3) "Course Outlines of Record":
- "Course outlines of record shall also include representative descriptions of approaches faculty may use to accommodate and engage diverse student bodies, advance equitable student outcomes, and promote the inclusion of all students."
- B. Should the curriculum committee recommend specific approaches, or allow discipline faculty to determine what is appropriate for their own course outlines?
- C. We need to implement this sooner than later.

XIV. Common Course Numbering (CCN) Timeline

- A. Phase 2B CCN templates have been published. They are effective Fall 2027, and they must be in the 2027-2028 catalog.
- B. All Phase 2B course revision proposals are in CurricUNET.
- C. Phase 3 CCN templates are scheduled to be published in February 2026, with an effective date of Fall 2027.
- D. The curriculum committee should be open to fast-tracking and going outside the CNET process to comply with AB 1111.
- Phase 2B CCNs, if prelaunched by October 2025, should be able to go through the regularly-scheduled approval process. However, the limited time given for Phase 3 CCNs requires fast-tracking in order to meet the June 1 UC TCA deadline.
 - The ASCCC CCN workgroup plans to talk with UC about allowing "Cal-GETC approval first, UC TCA second," but prospects may be dim.
- E. Procedural Reminders:
- We add the required CCN elements to our active courses in creating CCN courses.
 - We copy the active courses and prelaunch "course major revisions," according to the Chancellor's Office and ASCCC.
 - We don't create "course deactivation" proposals for the "legacy" courses, since they remain "the same course," only with course number and title (and/or prefix) and CCN elements added. Instead, the "legacy" courses should be made "historical" in an administrative manner.
- F. District Workgroup continues to meet re: implementing CCNs in Banner, catalog, schedule, DegreeWorks, counseling and Admissions and Records, etc.

- G. Given the vast scope of the impacts, and the time constraints involved, CC, DCCC and BOT continue to approve “batches” of courses and programs impacted by Phase 2 (A and B) and 3 CCN course revisions.
- CC, DCCC and BOT agendas will contain tables listing the impacted courses and programs.
 - Changes will be made administratively to CurricUNET, Banner, DegreeWorks and other technologies involved with curriculum.
 - Non-CCN courses with CCN course requisites: This school year, we are allowed to make updates without sending the non-CCN courses for re-articulation.
- H. The state chancellor’s office will allow us to update ADTs for CCN Phase 2A, 2B and 3 without COCI submission. We will need to complete a form, just as we did for Phase 1 in May 2025. The Chancellor’s Office will issue the form soon.
- I. Other community colleges are changing their prefixes (POSC to POLS; SOC to SOCI)
- J. Please remember that non-CCN 4-digit numbers start with x400 (as in 1400+, 2400+, 3400+). CCN 4-digit numbers go from Cx000 to Cx399 (as in C1000 to C1399).
